Ms. Cleveland

The story you are preparing to run is false and defamatory. Publish at your peril. Professor Halper is prepared to hold you and your publication accountable if you proceed.

Gentlemen,

I am preparing a story for Monday that reports that your client, Stefan Halper, asked Cambridge Professor Bill Foster, to spy on Svetlana Lokhova. I would like to offer your client an opportunity to explain why had had asked Foster to do so. Also, what information, if any, did Halper, relay to the IC which originated with Foster? Did Halper pay Foster or arrange for Foster to obtain a contract to write a CIA book in exchange for this week?

My deadline is Sunday morning at 10:00 ET.

Regards,
Margot Cleveland
